

PLAN A MEANINGFUL CLASS EXCURSION

to the

Animal Welfare League Qld GOLD COAST REHOMING CENTRE

The AWL Qld is open to all schools grades Prep to 12 to visit our refuge and join in our fun, education and unique excursion program.

We offer three structured Excursion Programs, with each program being tailored to suit the learning outcomes and level of the class in consultation with the classroom teacher. Each Program is 2 hours in duration and covers a range of topics related to Responsible Care of Companion Animals and the role of the AWLQ in the community.

Students have the chance to engage in hands-on learning activities designed to enhance their knowledge of responsible animal care and awareness of companion animal welfare issues. They also have the opportunity to get up-close with our small animals, learn some basic dog obedience skills, have a cuddle with our gentle cats and kittens as well as take a guided behind-the-scenes tour of the refuge!

All this for only \$8.00 per student!

The best part is that your contribution will be helping the AWLQ, a not-for-profit, non-government funded charity that helps over 15,000 homeless and abandoned animals in your community each year!

For more information or to book your excursion, contact:
