

VOLUNTEER POSITION DESCRIPTION

Position: Vet Clinic: Animal/Kennel Attendant.

Locations: Gold Coast

GOLD COAST	8:00am - 12:00pm 12:00pm-5:00pm
-------------------	---------------------------------

Reports To: Kennel Hand / Head Vet Nurse

Responsibilities: This position involves the daily cleaning and care of the wards and general clinic. The role involves lots of bending down, sweeping, cleaning litter trays and food bowls, replacing toys, feeding and cleaning bowls. Another important part of the role also involves patient enrichment, basic husbandry, grooming, walking dogs, laundering bedding. Our volunteers will need to follow strict procedures and the guidance of our staff. We are incredibly grateful for the hard work and dedication our volunteers offer us.

Stress: Please note that while the shelter is a wonderful place to visit, sometimes working in a shelter environment may cause stressors to certain individuals, namely those who have either a history of / or are predisposed to: anxiety, depression, mental health issues, are in physically poor health or have been diagnosed as being on the ASD spectrum.

If you fall into these categories please feel free to contact the Volunteer Manager who can discuss suitable alternatives.

Physical Capacity Required:

- Moderate level physical fitness with the ability to lift up to 20kg.
- Ability to cope with bending up and down and being on your feet for most of the shift.
- High level of manual dexterity, ability to manage multiple objects at once.
- Ability to walk unaided on grounds, pathways, grass, stairs and sometimes slippery and muddy pathways and yards.
- Clear vision, ability to see animal's body language, see obstacles and hazards.
- Ability to hear if an animal is in distress, giving low sounds or initial warning sounds that the animal is indicating fear.

Mental Capacity Required:

- Highly developed communication and interpersonal skills.
- Hardworking and show initiative when required.
- Attention to detail particularly regarding regular routines, hygiene and sanitization.
- Ability to comply with Standard Operating Procedures, Workplace Health and Safety Guidelines
- Work in a safe manner without risk to themselves, others or the environment.

- Correctly use all personal protective equipment provided.
- Comply with all emergency and evacuation procedures, respond appropriately to safety incidents

Emotional Capacity Required:

- Calm and confident with cats, dogs and people.
- Not easily distressed, not easily upset.
- Mature and emotionally secure.
- Ability to cope with changes, busy working environment and demanding schedule.
- Gentle and mature disposition with demonstrated affinity with animals.
- Not bothered by strong smells or getting dirty.

Autonomous / Unsupervised Capacity Required:

- Demonstrated ability to take direction from team members in supervisory roles.
- Ability to work autonomously while managing your own time effectively.
- Ability to work as part of a team.

Skills Gained: Animal husbandry experience, work experience in a vet clinic environment, cat and dog handling techniques, cat and dog enrichment and care.

Performance Goals: At the end of 3 months be assessed and complete compliance checklist prior to graduating to a regular volunteer.

Time Commitment: Commitment within the hours above on 1 regular day per week over 3 months.

****Please note that we are unable to offer any Placements for students studying their certificates in Animal Care or Vet Nursing. We do not have the capacity or resources to sign off on the modules involved. We ask if you apply for this position, you understand it is purely in a voluntary capacity, not for study credits****
