

### **Photographer – Casual 9 hours per week**

The Primary Purpose of the Photographer is to support the Rehoming Centre reach its goals by ensuring all animals in the Rehoming Pens have a current photo uploaded onto our website.

The role:

- Run report of all animals moved into the rehoming pens
- Create images that capture the personality and appeal of the animals in both photo and video
- Upload photos onto Shelter Buddy for transfer to our website
- Work closely with AWLQ Supervisor or Manager to ensure details and information are accurate, display any group promotions and ensure branding is consistent
- Liaise with the Rehoming Manager and Team Leader and highlight the Pet of Week promotion
- Responsible for all photos of available animals.
- Creating images including editing and layout.

**The successful candidate will be able to meet the following criteria:**

- Previous animal photography experience
- Customer Service experience
- Computer literate
- Shelter Buddy System

If you love animals, like to be licked and drooled on every day, don't mind getting wet and dirty – love being part of a passionate team of dedicated professionals, please apply now.

If you have no experience and would like to volunteer to gain knowledge of working within this industry, please complete our Volunteer Application available on our website.

Award rates apply.
