

KENNEL AND PEN SPONSORSHIP FORM

Since 1959, AWLQ's commitment to giving unwanted animals a second chance in a safe and loving home has been unwavering. Our dedication to serving our community with integrity, optimism, innovation and initiative has saved the lives of over 100,000 animals since our inception. Our promise is to never euthanise a healthy, sociable or treatable animal in our care.

Our **Kennel and Pen Sponsorships** assist with the ongoing care of the animals that reside in our Animal Rehoming Centres from the time they enter, to the time they are rehomed. It costs an average of \$660 to rehome each of our animals. Every donation helps so thank you for helping us!
