

# Workplace Giving to Shelter Animals

Animal Welfare League Qld relies on community, business and individual donations to continue caring for homeless animals.

We need your help!

Last year we cared for nearly 10,000 animals (including almost 4,000 kittens and puppies) who came through our shelters...

Animal Welfare League Queensland has been rehoming abandoned, surrendered and homeless animals since 1959. In that time more than 120,000 dogs and cats have been given a second chance at life.

## Workplace Giving is Good for Business!

Workplace Giving provides a chance for employers, employees and their charity of choice to come together and make a difference.

**PLUS...**  
All donations are tax deductible!

Good for the animals

Good for staff morale & workplace culture

Good for your business

Your regular contributions will make a direct, immediate difference to the lifesaving work AWLQ does for the animals we care for and then rehome.

Please donate. We can't do it without you!
