

HOBART – Veterinary Director - EXCITING OPPORTUNITY FOR A LEADER– to join our team

Are you looking to take the next step in your veterinary career?

Want to be part of something that makes a difference?

An exciting opportunity exists for a Veterinary Director to join our Hobart Community Vet Hospital team!

About our hospital

Hobart Community Veterinary Hospital offers a unique experience for veterinary professionals. The hospital is operated under the experienced management of one of Australia's most trusted animal welfare charities that have successfully run community vet clinics since 2001 and is one of four in Australia.

We are committed to keeping pets and people together. The Hobart Community Veterinary Hospital's charter is that no sick or suffering animal is ever turned away, irrespective of an owner's capacity to pay for treatment. This ensures that people never need to face a decision to euthanise or surrender their much-loved companions unnecessarily.

We all share a common passion at the Hobart Community Veterinary Hospital. Whether affected by illness or injury, the animals we help need your expertise and compassion. You could wake up every day knowing you'll be helping to keep pets and people together in a fulfilling environment where no two days are the same!

The Role

We require an experienced veterinarian to join our team in a clinical and leadership role at our Hobart Community Vet Clinic. The Veterinary Director is a critical part of the management team, making collaborative decisions focusing on successful outcomes for the organisation, its employees, customers and community.

The position requires the vet to be responsible for setting the professional standards of care, can implement animal care policies and practices across the business, managing staff to ensure a high level of customer service and patient care and developing and implementing business strategies to maintain and grow the success of the clinic.

What we can offer you

- Remuneration commensurate with your experience, including:
 - \$129k to \$149k plus 10% superannuation.
 - 4 weeks of annual leave and one week of paid study leave.
 - 4 weeks full pay parental leave.
- Support for your continuing education, including:
 - \$5000 continuing education allowance to support your professional development.
 - VIN Membership, AVA membership, CVE membership.
- Location, location, location!
 - Located in Lenah Valley, situated on the outskirts of Hobart, you will enjoy Hobart's diverse cultural experiences and enviable food and drink offerings. You will be a hop, skip and jump away from the captivating natural beauty of Tasmania and all the adventures it can offer.
- A well-equipped hospital that includes digital radiology, digital dental radiography, ultrasound, orthopaedic surgical kit, Smartflow Sheet, Bair huggers, Multi-parameter monitors, electrosurgical unit, vet-tome and more!
- A dynamic and supportive team environment.

PLUS

- Work-life balance with no on-call rosters
- Free access to EAP and HR Support
- Relocation support for overseas veterinarians on a sponsored visa
- \$3000 relocation allowance
- Flexible work arrangements to suit lifestyle and family commitments

Most importantly, you'll play an instrumental role in our lifesaving work every day.

The Person

The role offers the right candidate an exciting opportunity to develop the clinic and its team. You will have an enthusiasm for business and would be supported and encouraged to use initiative, expertise and innovative thinking to achieve practice goals.

- Minimum of 9 years experience in a veterinary role.
- Previous experience in management, leadership, operational management, and budgets will be highly regarded.
- Management of business activity.
- Management of initiatives and projects.
- Ability to impact and influence people to achieve positive outcomes.
- Ability to lead and develop people.
- Ability to build effective relationships with both internal and external stakeholders.
- Strong communication skills: both verbal and written.

To Apply

Please forward your CV to hr@awlqld.com.au and write "*Director*" in the subject line to quickly identify the role.

We thank all applicants for their interest in our role and for working within the Hobart Community Vet Hospital team. Short-listed candidates only will be contacted.
