COMMUNITY VET CLINIC

Veterinary Nurse – Casual Gold Coast Community Vet Clinic

We are committed to keeping pets and people together. The Gold Coast Community Vet Clinic's charter is that no sick or suffering animal is ever turned away, irrespective of an owner's capacity to pay for treatment. This ensures that people never need to face a decision to unnecessarily euthanise or surrender their much-loved companions.

We all share a common passion at the Gold Coast Community Vet Clinic. Whether affected by illness or injury, the animals and their families we help, need your compassion. You will wake up every day knowing you'll be helping to keep pets and people together in a fulfilling environment where no two days are the same!

How you'll impact our mission

Are you looking for a rewarding career? Animal Welfare League Queensland (AWLQ) is currently looking for a casual veterinary nurse to join our fast-paced Gold Coast Community Vet Clinic. Our nurses play a vital role in our team and are encouraged to use their amazing skill set to their full potential. Our clinic offers the opportunity to expand your nursing skills amidst an extremely varied and interesting caseload.

You'll be working within a team of highly skilled and passionate veterinary professionals under the banner of one of the most respected brands in animal welfare. If you are passionate about making a direct impact in animal welfare, we'd love to talk to you.

What are the minimum requirements for this position?

- Certificate IV in Veterinary Nursing
- A minimum of 2 years' work experience post qualifications of Veterinary Nursing.
- Ability to prioritise and manage multiple tasks
- Strong customer service, interpersonal and communication skills

What do you need to be successful in the role?

- Ability to work under broad supervision and ability to take direction from supervisors
- Ability to work independently, as well as actively participate in and effectively contribute in a team environment

- Confident in all aspects of Veterinary Nursing duties including:
 - General anaesthetics and monitoring,
 - Surgical and Medical nursing,
 - Triage of emergency and critical care patients
 - Performing charted treatments
 - Blood collection
 - Fluid Therapy
 - Administering Medication
 - Drug Calculations
 - Maintaining clinic hygiene and the equipment used.
 - Processing of bloods using IDEXX laboratory equipment.
 - Experience with Cornerstone and Smartflow advantageous but not essential

Who are we?

Founded in 1959, AWLQ has become a trusted leader in animal welfare. We provide a safe haven and second chance for close to 10,000 stray and homeless animals every year. To each one of these animals we welcome through our doors, a promise is made – to never euthanise a healthy, sociable, or treatable animal in our care. We work tirelessly every day to maintain this promise.

In addition to our shelter work, we are committed to keeping pets and people together by providing lifesaving support and resources to people in need with companion animals. We are known for our grassroots and innovative community-based animal welfare work including our community vet clinics, Getting to Zero, Golden Hearts Seniors' Support Program and the National Desexing Network.

Why should you join us?

At AWLQ we offer competitive pay and benefits, including access to an independent Employee Assistance Program, retail discounts, vet discounts. Most importantly, every day you'll play an instrumental role in our lifesaving work.

How do you apply?

Please send your resume and cover letter to admincoordinator@awlqld.com.au - AWLQ would like to thank all applicants for applying. Only shortlisted candidates will be contacted.
